SEE THE PAST ROAR BACK TO LIFE!

FULLY PRODUCED SHOW

Our talented cast of Dino Rangers will take your audience on an interactive live stage experience bringing the past back to life. In this fully scripted 1 hour show they will meet and learn about all of our dino's complete with costumes, games, songs, dances and a lot of fun along the way. This show is ideal for holiday resorts, hotels and events venues.

Get up close and personal! Our dinosaur petting zoo experience includes interactive games, feeding & petting all whilst learning about our hand-held baby dinos and for the braver adventurers, why not add a photo shoot with our roaring fully mobile 8 foot tall T-Rex.

DINOSAUR PETTING ZOO EXPERIENCE

WALK ABOUT APPEARENCES

Make your outdoor or indoor event roarsome and one to remember for another 65 million years! Book our Dino Rangers to interact with the crowds as they show off our lifelike and moving hand-held baby Dinosaurs, or think bigger and add the wow factor with our fully animated 8 foot T-Rex roaring and stomping through your event.

Add a prehistoric punch to promoting your business. Grab the attention of potential customers on a big scale with an appearance from a walking & roaring Jurassic giant. You can collaborate with us and hire our Dino's to be the stars of stage, screen, school, shopping centre and so much more.

CORPORATE & COMMERCIAL PROMOTION

Still not fully out of its egg, our youngest hatchling dino is ideal for the youngsters. It has a quirky appearance with a mouth full of pointy teeth, brightly coloured scales and a head full of spikey feathers! This realistic hand held baby dino moves and roars in the arms of its trained handler.

BORIS

TRIXY

Safely snuggled up in it's crate held in the arms of a Dino Ranger our triceratops is full of personality and looks adorable! This friendly plant eating youngster has a cheeky side as it playfully moves, growls and often spits water at unsuspecting people she meets.

A favourite with fans of the blockbuster dinosaur movies. This clever teenage raptor is a crowd pleaser with his iconic blue stripes on his head, realistic looks and infamous raptor sounds.

ROARY

The Queen of the Jurassic... Complete with her iconic roar and menacing size Roxy is sure to rattle the nerves of even the most experienced adventurer. Standing at 8 foot Tall she will stomp and roar through your event with jaw dropping theatrics.
